

Turves Green Boys' School

"An Aspirational Learning Community"

5th November 2020

Dear Parent/Carer

As you will be aware from Government updates and media coverage, face masks and or face coverings are a legal requirement in all schools.

Since we returned in September, we have been providing disposable face masks for those pupils who have arrived on site without a one. Due to ongoing costs and the number of pupils who repeatedly arrive in school without a face mask, we are unable to sustain this. To date we have spent £12,000 in disposable face coverings for those who have not provided their own. This money could have been spent on resources for pupils.

We have made the decision to purchase reusable, washable face masks for all pupils which will be given to them today. This face mask has been designed with the school logo on it and is now part of the school uniform and as such, must be worn each day. It is your son's responsibility to arrive on site each morning with this face mask.

If your son chooses to wear an alternative, plain face covering, he may do so.

May I take this opportunity to thank you for your ongoing support.

Yours faithfully

Mr Inglis
Head of School

Head Teacher Mr A Inglis BMUS (Hons) PGCE
